Interests & Experiences

Please tell us about yourself and why you want to serve on a board or commission

Why are you interested in serving on a board or commission?

Why am I interested in serving on the Sobriety Center Board? First, let me share that I am a recovering alcoholic with 35 years of continuous sobriety. For most of those 35 years, I have worked with individuals who strive to be sober. I have lived on both sides of the fence: First through my own personal experience of maintaining sobriety; and Secondly, I have an understanding of addiction and I communicate well with those who struggle with alcoholism. My 35 years of recovery has provided me with a great insight into what recovery is about and what is required to achieve and maintain sobriety. As you well know, alcoholism and recovery are complex issues that require the participation of many different people and agencies with knowledge and expertise in their specific field of working with alcoholism. What would I bring to the table? I would bring my unique insight on how to best help people who struggle with alcoholism. Thank you for your consideration, it would be an honor to work with the Sobriety Center Board. Thank you, James Byrne
